**“**  
No matter what the U.S. Supreme Court decides on abortion, as of now Kansas will remain a destination for painful late-term abortions and clinics with no health and safety standards -- among the most extreme states in the nation.  
**IF KANSANS WANT TO STOP THIS, THEY MUST VOTE YES ON VALUE THEM BOTH.**

In conversations with our friends, family & parish community, we have to help people understand that should the Court reverse Roe, abortion is not going away in our country but rather the regulation is returned to the states. We need to stay focused on the important work we have here in Kansas - passing Value Them Both & increasing support to women & families. Pick up your sign today
