The virtue of spiritual poverty - it can transform the way we think about wealth. Instead of wealth becoming a kind of ball & chain, that holds us down & holds us back, spiritual poverty allows us to see that whatever we have is a gift - a gift God has entrusted to us, & asks us to use prudently as His stewards. Let's keep the virtue of spiritual poverty in mind as we discern—as a community & as families—how we can support our *Archbishop's Call to Share* appeal.
